## BOARD OF NURSING

### REQUEST FOR APPROVAL OF OUT-OF-STATE SCHOOL OF NURSING

Wisconsin Administrative Code Chapter N 1.06 lists approval requirements for out-of-state schools of nursing.

- **Only out-of-state schools preparing students for practical nurse licensure or registered nurse licensure must be approved by the Wisconsin Board of Nursing.**
- **RN-to-BSN, MSN, APRN, or other post-graduate nursing programs currently do not require Board approval unless the school grants a certificate for practical nurse licensure or professional nurse licensure when a student has completed the portion of the program equivalent to a diploma.**

Following initial Board approval, each year the approved out-of-state nursing school will be sent a form #3068OEE, 'Out-of-State Nursing School Self-evaluation Report for Continuation of Approval' to complete and submit in order to maintain continuation of Board approval. Please refer to form #3031, 'Guidelines for Nursing School Approval and Refresher Course Approval,' for additional details regarding approval and continuation of approval of out-of-state nursing schools.
